WEIMER K. HICKS, PRESIDENT

Since President Hicks arrived at Wayland in 1943, amazing changes have come over our school. We have seen the erection of the Lindsay Gymnasium and swimming pool, the new heating system, the new president's home, and the remodeling of both dorms, the chapel, the auditorium, and Club Henri. The entire campus has been landscaped and lighted, and the recreation area has been enlarged by the addition of the girls' athletic field and three all-weather tennis courts. Enrollment has more than doubled, necessitating the purchase of three off-campus houses. Probably most important of all is the current campaign for a new dining-hall which is to be completed before the centennial.

Not all of the changes at Wayland are material, however. Scholarship has remained high, and the ideals and traditions of Wayland have been sustained. Dr. Hicks introduced the Student Senate which has done much to establish the friendly atmosphere always present on the campus. The most recent change is the introduction of a conduct grouping system to replace the demerit system. This innovation has given the students more privileges, more opportunities for achievement and fellowship than they have ever had. Dr. Hicks is striving to make Wayland and her students noteworthy.

Dr. Hicks attended Princeton where he received his Bachelor of Arts Degree, and Cornell where he obtained his Master's. Before coming to Wayland, he taught English at Peddie for nine years.

In recognition of his fine work in independent school education, Ripon College conferred upon Dr. Hicks an honorary Doctor's Degree in June, 1949.

ALTON E. WICHMAN

EDGAR B. CHARLES

J. HOBART TUCKER, Dean of Boys

Mr. Tucker came to Wayland in 1947 after serving on the faculty of Lake Forest Academy and Culver Military Academy. He did graduate work at Grenoble, Heidelberg, the Sorbonne and the American Academy at Rome after obtaining his Bachelor's Degree from Princeton.

At present Mr. Tucker is Dean of Boys, Head of the Latin Department, and a member of the Athletic Board at Wayland Academy.

Mr. Tucker's keen understanding of students is one of the qualities that makes him an outstanding member of our faculty.

RUTH L. FOSTER, Dean of Girls

Mrs. Foster has been at Wayland for nine years as an understanding mother to all Wayland girls. In addition to being Dean of Girls, she is head of the English Department.

Mrs. Foster attended Fairmount Preparatory School at Wichita, Kansas, and Kimball Union Academy in Nem Hampshire. She received her Bachelor's Degree from Smith College and her Master's Degree from Columbia University.

As a classroom teacher, Mrs. Foster encourages students' mental growth; as a dorm mother, she inspires moral growth.

ELLEN V. PIHLSTROM, Assistant Dean of Girls

Mrs. Pihlstrom has been at Wayland for eight years. As Mrs. Foster's duties have expanded, Mrs. Pihlstrom was appointed Assistant Dean. Her cheerfulness and enthusiasm have made her a friend to the entire Wayland family.

Mrs. Pihlstrom received her Bachelor of Art's Degree at Lawrence College and did graduate work in reading at the University of Colorado. At the present time she is completing work on her Master's Degree at the University of Wisconsin.

SENIOR CLASS OFFICERS

LEFT TO RIGHT—George Pratt, president; Pete Morton, secretary; Bill Hutchings, vice-president; Warren Manthey, treasurer.

From the freshmen who entered in 1949, twenty-one have issued forth as four year seniors.

With Jerry Roberts as president, we plunged into Wayland life, coming up with second place in the Homecoming skits and several fine activities. "That's Life," the last home-grown Rouland, had twelve freshmen in its cast, and we were well represented on the swimming and J.V. basketball teams and the Honor Roll.

As sophomores, with Don Mayer as president, we made our way through the "Soph Snowstorm." "Good News" made the school aware of some new sophomore talent when Chotzie Howard stole the show. We also were represented on every athletic team and added nine names to the Honor Roll.

Our junior year welcomed our largest group of new students, all of whom have proved invaluable. To lead us through this big year we chose George Pratt as our President, Verna Hoyer as Vice-President, and Barby Tews as Secretary-Treasurer. Homecoming proved a struggle through hours of rehearsal to bring forth our skit depicting the four seasons at Wayland—the hours of rehearsal taking their toll when a first place became our cherished award for all the hard work. We gave several activities that year, the most notable of which was the "Punkin' Prom," and many of us sang our way through "Oh Susanna!"

Finally Prom time drew near and we all went to work with paint and miles of corrugated paper to produce our version of "Moonglow." Diane Withrow painted the scenes creating the atmosphere so appropriate for the crowning of Queen Verna Hoyer and King John Wichman, and the diligence of our Prom co-chairmen, Kathryn Kading and John Wichman, was climaxed in one wonderful evening.

At last we became seniors. This dreamlike status was something many of us doubted as to whether we would ever attain. Again we chose George Pratt as our President, with Bill Hutchings as Vice-President, Pete Morton, Secretary, and Warren Manthey, Treasurer.

At Homecoming our skit depicting the future of our classmen took first place. We put on another "Punkin' Prom" and then the "Christmas Ball" with its silvery stars and Christmas trees.

In April we took "Our Night Out" in Rouland. Soon its songs will be replaced by "Pomp and Circumstance" as we say good-bye to Wayland and some of the most wonderful years of our lives.

JUNIOR CLASS OFFICERS

Our first undertaking as juniors was a turnabout early in the year called "The Tackle Turnabout." The gym was decorated as a football field, and popcorn and hot dogs were served for refreshments.

October began our preparation for Homecoming. Our skit was our own picture of what we hope the new dining hall will be, complete with singing waiters and a floor show. All the members of the class participated, and we had a wonderful time rehearsing for the big production. In competition for the winning effigies, we took first place.

Before Christmas vacation we sponsored an activity called the "Hayseed Hoedown." Everyone donned jeans and cotton shirts to enjoy an evening of square dancing.

The Class of 1954 began early in the year to raise money for the Junior Prom by selling popcorn at the Linfield movies.

After the new year, thoughts turned toward the Prom, and with hard work and co-operation from everyone the Junior Prom was a great success.

Several members of the class have distinguished themselves in all phases of Wayland activities. There were many junior students on the varsity athletic teams and still others held leading positions in various campus organizations.

Our thanks are extended to George Maye, our Class President, who has done an excellent job, as well as to the other class officers: Jim Burgess, Vice-President; Mary Jensen, Secretary; and Sukie Fisher, Treasurer. Our class advisors, Miss Porter and Mr. Mayer, also deserve recognition for the help they have offered throughout the year.

Judy Lentz, Jerry Zweifel, George Maye, and Dick Morgan have been constantly near the top of the Honor Roll. George Maye, Mary Jensen, Cyn Butler, Dick Neuman, Jim Burgess, are representatives on the student senate. Mary Jensen, Sukie Fisher, and Sig Hanson are officers of the girls' Varsity Club. Ray Little, Dick Kimberly, and Ron Schmoller played regularly on the football team. On the varsity basketball team were: Chuck Nisbet, George Maye, Tom Watkins, and Jerry Zweifel.

SOPHOMORE CLASS OFFICERS

LEFT TO RIGHT—Dick McFarland, treasurer; Roch Milla, President; Connie Zipprodt, Secretary; Roberto Fernandez, Vice-President.

At the first 1952 meeting of the Centennial Class, the sophomores welcomed many new members as well as new class advisors — Miss Sue Weber and Coach Dick Boya. The class elected Roch Milla as their 1952-1953 class President; Roberto Fernandez, Vice-President; Connie Zipprodt, Secretary; and Dick McFarland, Treasurer.

The class began immediately to plan for Homecoming Skits, but had difficulty agreeing on a theme. However, the sophomores came through to take second place on both their skit and their effigy.

Shortly after Thanksgiving, the Centennial Class sponsored the successful turnabout "Twin Pan Alley." Also after Christmas the class put on the activity "Ranchtime Roundup," an evening of roller skating, entertainment, and fun. In the spring the class held the annual Sophomore Carnival which displayed the leadership of the class of '54.

Many members of the sophomore group have been active both scholastically and on the extra-curricular side. Numerous sophs were on the Honor Roll during the year and many others were in Rouland. The following girls were on Varsity Hockey: Sue Clark, Kaye Jermain, Marge Eisert, Gretchen Smith, Laura Smith, Connie Zipprodt, and Mary Lou Miller. In Water Ballet were: Mary Muntz, Lee Baumgarth, Laura Smith, Gretchen Smith, Kay Jermain, Barbara Morton, and Sue Clark. The sophomore boys on varsity football were Dick McFarland, Gene Kenniger, Fred Kapelle, and Roch Milla, manager of the team. On varsity basketball were Dale Schoon, Fred Kapelle, and Dick Pingel.

The sophomore class has shown real ability and enthusiasm throughout the entire year.

FRESHMEN CLASS OFFICERS

The Class of 1956 promises to be a fine one. The forty-six freshmen helped to swell our record school enrollment and add many new members to the athletic teams as well as to the Honor Roll. Close to one-fourth of the class appears on the Honor Roll at each marking period and some of those representing the class include Judy Nagley, David Camenga, Ferrell Sterner, Bud Schoen, Scott Brown, Mary Kimball, Lory Marcus, Stan Marshall, Martha Lentz, Elizabeth Esten, and Jean Elser.

In the fall our class effigy for Homecoming was built around the slogan, "North Shore Smells de Feet." The class skit depicted a Wayland alumni's recalling the time he was the "man of the gridiron."

The Junior Varsity sport teams owe much of their success to the freshmen. Representing our class on the J.V. basketball squad were Tucker McNamara, Craig Ward, Dan Barber, Stan Marshall, Pete Pratt, Chuck Morgan, Scott Brown, Jeff Snyder, Dick Schulz, and Art Curtis. On the Wrestling Team were Ward Keil and Bob Chesi, and our representatives on the Swimming Team included Bud Schoen, Jim Abbott, Dick Barnes, David Camenga, and Fred Bote.

Under the capable leadership of President Dan Barber, Vice-President Judy Nagley, Secretary Bud Schoen, and Treasurer Craig Ward, the freshmen sponsored many successful activities throughout the year.

The freshmen wish to thank Miss Brown and Mr. Foster for guiding them through a wonderful year.

C. A.

The Wayland Y. W. C. A. this year was under the leadership of Verna Hoyer. With Diane Withrow as vice-president, Karen Walgren as secretary, and Beverly Gavel as treasurer, the Y. W. C. A. sponsored various Wednesday evening meetings, with faculty members and other Y. W. friends as speakers.

The Cabinet girls returned early in September to prepare for the opening of school. The annual Fellowship Dinner occurred in October, with the four officers telling of the year's theme, "Rainbow in Reverse." The beautiful Recognition Service held in Linfield Library in November brought into membership a large number of the new girls.

This year the Y. W. C. A. girls adopted a "foster daughter"— Alessandra, of Italy. Many packages were sent to Alessandra throughout the school year.

The Christmas Pageant, telling the story of the Nativity, was presented by the Y. W. girls in December. Also, a special Y. W. Christmas Service was held in the chapel. The annual Christmas party in the dorm occurred the night before Christmas vacation.

In February, the Masquerade was given for the benefit of the March of Dimes. This activity was a highlight of the school year.

The activities of the Y. W. in the late spring were the May banquet, when the new officers were installed, the Mock Wedding, and the Senior Farewell which brought to a close another year at Wayland for the Y. W. C. A.

The 1953 Y. W. C. A. Cabinet members were Alice Bruemmer, Judy Hinze, Ann Brittain, Jane Klusendorf, Diane Davis, Vernice Johnson, Carole LaBuy, Sandy Johnson, Mary Jensen, Sukie Fisher, Mary Hawkins, Gretchen Smith, Connie Zipprodt, and Laura Smith.

Miss Marion Mitchell was, as always, our inspirational and helpful advisor.

Wayland's Big Red opened the 1952 season under the leadership of Coach Richard Boya. Mr. Boya employed the single wing formation instead of the "T" which had been used at Wayland for the last few seasons. The squad was handicapped in that they had to learn strategy which was new to them, but they learned fast and showed promise of a good season.

The first game of the year was played at Fond du Lac against the strong St. Mary Springs' eleven. With one game already tucked under their belts, the Springs' squad had a slight edge and managed to hold off the Big Red and win 21 - 13.

In their first league encounter, the Redmen ran up against Milwaukee Country Day, the eventual champions of the Midwest Prep league, and succumbed 32 - 0.

After losing two games, the Red and White squad suddenly revealed its potency and soundly whipped Milwaukee Lutheran by a 19 - 0 score. The Wayland eleven dominated play throughout the encounter and penetrated deep into scoring territory often. Lutheran seemed powerless as nearly every play run by the Big Red went for long yardage.

Running up against an inspired Northwestern Prep squad, the Redmen lost the ball several times near the goal, and the clock ran out giving the Preps a 13 - 6 victory.

After scoring on their first play from scrimmage, Wayland lost a hard-fought battle to M.U.S. 20 - 6. University School passed unusually well in the game and, confusing our defense several times, finished the game as victors.

In the Homecoming game, Wayland's gridders played excellent ball in the first half, but the depth and strength of the North Shore Country Day eleven overpowered them and the Red and White lost 27 - 13.

Failing to get that extra yard when it was needed most, was the chief reason for the 26 - 0 loss to Lake Forest. Several plays worked well for the Redmen and brought them close to paydirt, but each time they failed to score.

After the close of the season, George Pratt was selected as an end on the All-Conference Second Team.

TOURNAMENT

Wayland finished conference play in fourth place and faced the championship Racine Lutheran five in the opening round game. Racine scored two quick baskets before the Red and White scored; but when Wayland started to roll, they could hardly be stopped. The Redmen led 31-23 at the half, but late in the third quarter the score was tied 38-38. At one time in the final period Racine held an eight point lead, but the Red cagers slowly pulled up on them and led 54-51 with 1:13 remaining. Wayland's five successfully controlled the ball for the remaining time to win the game.

In the second round of play, the Redmen faced M.U.S. who had upset Country Day in the opening round. The Red squad had complete control of the game and won 54-40. After scoring seventeen points in the first quarter, Wayland was never again headed.

A determined, but tired team appeared on the floor for the championship battle with North Shore less than four hours after their semi-final round victory over University School. Trailing 24-19 at the half, the Red and White cagers could not make up the deficit and took second place in the tournament.

Warren Manthey and Dick Pingel were named to the All-Tournament Team for their outstanding performance.

Under the guidance of Coach Warren Foster, the 1952-53 Wayland varsity swimming team compiled a season record of six victories and five defeats. The Junior Varsity swimmers competed in only three meets and easily won all three. This is the second year in succession that the Junior Varsity has not lost a meet.

The first meet of the year against Kenosha High School resulted in defeat for the Red and White. The Kenosha team, with outstanding swimmers, was too powerful for the Wayland finmen. The first victory of the year was won against Elgin Academy as the Redmen won 47-36. The meet was fairly close, but the Red swimmers were ahead from the start. Against the Appleton Y.M.C.A., Coach Foster's swimmers came through again and won with more ease than the 44-39 score indicates.

Janesville High School, considered one of the best high school teams in the state, was too strong for Wayland and triumphed, 67-16. Green Bay Y.M.C.A., one of the strong teams in the state, got by the Wayland swimmers with comparatively little trouble, winning 54-29.

M.U.S., sending boys who were not in as good shape as Wayland, found themselves defeated by a 65-18 score. In their second meeting with Elgin Academy, the Redmen had a difficult time but won 43-40.

Janesville High continued their winning ways against the Red and White and triumphed 59-24. M.U.S. met the Red squad with a vastly changed team and won a close 47-36 meet. A fine example of team balance was illustrated against Lake Forest as the Red and White swimmers won a 52-31 contest. This meet found the Wayland swimmers at their peak of the year in condition and team spirit.

The final meet of the year was a return meet with Appleton Y.M.C.A. which the Wayland squad won with ease, 57-25. Nearly every first place was scored by Wayland in this easy victory.

Dick Barnes, a freshman, was the only swimmer to set a record as he set the breast stroke record of 1:16.2.

WRESTLING TEAM

BACK ROW—Lory Markus, Ken Rice, John Wagner, Jim Hammitt, Dick Neuman, Bill Brown, Weimer Hicks, Dick Snyder, Bill McKinlay, Bob Sharp, Bob Barber, Don Utz, Coach Charles.
FRONT ROW—Don Harder, Dick Cervin, Don Herring, D. D. Zaug, Bruce Spacek, Ward Keil, Dick Morgan, Tom Grill, Gene Deuble.

Wayland's wrestling squad moved into its second season as a major winter sport with twenty boys reporting to Coach Edgar B. Charles. Wrestling was a new sport on the Wayland campus and all of the team's opponents were more experienced with the sport. With several boys from the 1952-53 squad returning, Coach Charles was assured of an experienced nucleus around which he could build his team.

The first meet of the year was against Valders High School. The meet was held shortly after Christmas vacation, so the Wayland boys were handicapped by the fact that they had little time to get into condition. As a result, the Redmen dropped a hard-fought 29-10 battle. Captain Bruce Spacek won a decision from his opponent after nearly pinning him. Dick Cervin, showing excellent form, pinned his man. Dick Morgan was forced to settle for a draw with his adversary. Tom Grill, wrestling in the heavyweight class, lost to the Wisconsin State High School Champion by two points.

The ever-potent Janesville School for the Visually Handicapped was the second opponent for the Red and White wrestlers. Bob Chesi was the only Wayland wrestler to pin his man. Decisions were won by Dick Cervin, Bruce Spacek, and Tom Grill, who triumphed over a man who had been previously unbeaten. Janesville lost only one dual match all year. The final score of the Wayland-Janesville meet was 18-11 in favor of Janesville.

Meet number three was against Wisconsin High School of Madison. Again Wayland dropped a close meet; the score was 18-16. The only victory by a pin was chalked up by Bob Chesi, who showed his usual good form. Three other Redmen triumphed by decisions: D D Zaug, Dick Snyder, and Dick Cervin. Two bouts were draws. Gene Deuble's bout ended even; Tom Grill battled the number three ranking heavyweight to a draw.

The final wrestling meet of the year was at Luxemburg High School. At this meet the Wayland wrestlers fought men who were superior both in experience and weight. Indication of this fact was Ron Schmoller's bout as he wrestled an opponent fifty pounds heavier than he; Ron lost by only one point. Coach Charles took with him several substitutes who filled in for sick wrestlers.

Although the season record does not seem too impressive from the score book, Coach Charles felt that the boys gained experience and team spirit which will be valuable next year.

GIRLS' BASKETBALL

BACK ROW—Marge Eisert, Anne Blanchard, Verna Hoyer, Gretchen Smith, Mary Harmison, Sue Clark, Em Curtis, Mary Stevens, Kathy Kading, Bev Gavel, Coach Mayer.

MIDDLE ROW—Mary Jensen, Laura Smith, Kaye Jermain, Mary Jane Whale, Mary Hawkins, Fran Corbett, Sukie Fisher, Janet Harris, Sue Jordan, Sig Hanson.

FRONT ROW—Barb Tews, Barb Jorgens, Sally Wilson, Sandy Guth, Mary Ann Schlicher, Connie Zipprodt, Margie Bleck, Ticky Nason.

The Little Red basketball team showed skill and talent this year through a carefully chosen team. The following represented the first team: forwards—Sig Hanson, Fran Corbett, Mary Harmison, Mary Stevens, Sally Wilson, Anne Blanchard, Margie Bleck, and Janet Harris; first team guards—Bev Gavel, Ticky Nason, Mary Jane Whale, Sandy Guth, Orah Schoon, Mary Engle, and Kathy Kading. On the equally skilled second team were Mary Jensen, Sue Jordan, Mary Ann Schlicher, Laura Smith, Connie Zipprodt, and Marge Eisert at the forward position; at guard were Sukie Fisher, Gretchen Smith, Mary Hawkins, Barb Jorgens, Verna Hoyer, Kaye Jermain, Em Curtis, and Barb Tews.

The schedule of games was as follows:

February 7 — M.U.S., there
February 14 — Downer, there
February 21 — Intersquad game
February 28 — Tournament, here

The highlight of the season was the tournament which was held at Wayland. M.U.S., Downer, and St. Mary's, all of Milwaukee, were Wayland's guests. Each school brought a first and second team and participated in its own division.

In the first round of play in the first team division, Wayland was victorious over St. Mary's 23-20. Downer defeated M.U.S. 25-21. M.U.S. then became winner of the consolation when they beat St. Mary's 32-6.

Wayland met Downer in the championship battle. The first half was a nip and tuck battle. The score at the half was 8-7 with Wayland in the lead. The second half was also a royal battle, but Downer sank a few quick baskets in the closing seconds and emerged the winner 22-18.

Downer and St. Mary's opened the second team play, and Downer easily trounced St. Mary's 28-5. Wayland was defeated in the second round when they bowed to M.U.S. 15-11. Wayland then faced St. Mary's for the consolation which they carried away easily with a score of 20-9. Again Downer walked off with the honors when they beat M.U.S. 30-16.

A tournament is held every two years at Wayland. The schools which participate are not always the same, but the schedule is always planned to include at least four schools so that two games can be played at the same time. The girls not only enjoy this tournament because of the athletic opportunities, but they also find great enjoyment in the wholesome relationship among the schools which is furthered through these games.

This year the honor of high scorer for the Little Red first team went to Sig Hanson who tallied 60 points during the season. High scorer for the second team was Mary Jensen who had 37 points.

Both games played against M.U.S. and Downer at the beginning of the season resulted in Wayland defeats.

Mrs. Mayer, coach of the Wayland squads, deserved much of the credit for the fine season.

"WAYLAND GOES TO WASHINGTON"

On Wednesday, March 18, a group, consisting of twenty-nine students, four faculty members, and the Wichman's younger son, Jimmy, headed for Columbus to begin the first lap of their trip to Washington, D. C.

After a stopover in Philadelphia, where the group visited Independence Hall and roamed about the fields of Valley Forge, they arrived in Washington where they spent the week visiting the historical sites of the city.

The group concluded their memorable journey with a three day visit in quaint old Williamsburg.

April 18 was the first meet of the year for the 1953 Wayland track team. The meet was as close as almost any seen on the Wayland track, and the Redmen dropped a close 57½-55½ meet. In spite of the bad weather and poor condition of the track, the Wayland athletes did a commendable job. Two days later the thinclads defeated Columbus High School. Although Columbus had winners in several events, the overall balance of the Redmen resulted in a victory.

The second conference meet of the year was against Racine Lutheran and Elgin Academy. Neither team was any match for Wayland as the Redmen scored over a hundred points in their victory.

Victory number four was chalked up at St. John's Military Academy. The Redmen came back strong in the track events and won the meet by winning the 880 yard relay. Waupun and Horicon were the opponents for meet number six and victory number five for the Red.

At the annual Conference meet, the Wayland squad took second place, three points behind champion Lake Forest. Outstanding for Wayland was Bill Hutchings, who smashed the conference record in the 440 yard run to set a new record. George Maye was the only other winner for Wayland as he won both the 100 and 200 yard dashes.

With two meets remaining before the Invitational Meet, it appears that the Wayland track team will have a record to be proud of.

ALLEGIANCE

As of old when knights and maidens,
Summoned by Devotion's call,
Gathered 'midst the hallowed splendor
Of some great, ancestral hall,
So, today, we do thee homage,
Wayland, castle of our dreams!
In thy name our torch was lighted,
Gallant still its white flame gleams.

Staunch we stand and ever loyal,
True to lessons thou hast taught,
Strong to do thy boldest bidding,
Fortified by battles fought.
Quickened by thy inspiration,
On we press to heights above,
Comrades in a mighty army,
Kindred in a filial love.

'Round us surge the eager voices
Of an unseen mystic throng,
Spirits of thy absent children
Joining in this festal song.
They, like us, in fond allegiance
Nurtured at thine ancient shrine,
Ever keep thy mem'ry sacred,
Cherished as a gift divine.

The staff of the 1953 Pillars wishes to acknowledge its appreciation for the services of Mr. Eldred Olson and the Brock Engraving Company of Madison, our engravers; Reliance Printing Company of Green Bay, our printer; and Mr. Calvin Zernicke of Neenah, our photographer.
